ABOUT US

“

This indicates the quality of service and value for money provided to MASU-MI'S Customers. It can provide the same reliable service anywhere in Johor Bahru, other states if required.

”

EXECUTIVE SUMMARY

This document outlines the capabilities of MASUMI ELECTRIC SDN BHD to assist you to successfully achieve the electrical system on design, expansion, upgrading or overcome operational problems.

MASUMI has demonstrated over the past few years the capabilities to complete electrical projects especially in factories and banking sectors to mutual satisfaction, from plant troubleshooting and electrical development through to complete management of projects with contract values up to RM1, 000,000.00. The basis of this success lies in its broad range of experience, equipment and special skills.

It is a Malaysian owned company with direct links to electrical manufacturers and turnkey process consultants and offers impartial professional advice to clients. Its strengths are based on technical and field experience of its staff and projects management system.

Within the last few years, MASUMI has achieved an excellent track record, with significant portion of repeat work orders and word-of-mouth business.

OVERVIEW

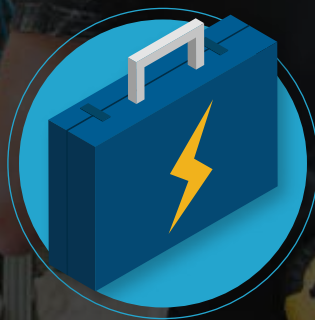

AN ELECTRICAL INSTALLATION SYSTEM COMPANY

Providing a complete electrical design and installation service for projects
